NOTICE OF COMMENCEMENT OF CONSTRUCTION ACTIVITIES

For the SunE Newboro 1
Solar Energy Project

Project Name: SunE Newboro 1 Solar Energy Project
Project Location: Part of Lots 25, 26 and 27, Concession 1 (McCann Road), Township of Rideau Lakes, United Counties of Leeds and Grenville, Ontario
Dated at Toronto this the 12th of August, 2013

SunE Ray GP Corp. is engaging in a renewable energy project for which a Renewable Energy Approval (REA) was issued by the Ministry of the Environment on July 23, 2013. The Renewable Energy Approval number is 0325-98FHZK.

Project Description
Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 3 Solar Facility and this facility will have a total maximum name plate capacity of 10 MW and will interconnect into the Hydro One grid. The project area for the "SunE Newboro 1 Solar Energy Project" covers lands on McCann Road and Narrows Lock Road (north of Crosby), in the Township of Rideau Lakes, United Counties of Leeds and Grenville, Ontario.

Commencement of Construction-Related Activities:
Initial land clearing and construction activities for the solar energy facility, as described in the REA documents, are scheduled to begin as early as September 3, 2013, see Project Map for project location. All construction related activities will be undertaken in accordance with the REA application.

REA Documents
Copies of the documents supporting this Renewable Energy Approval and which have been filed with the MOE can be found on the project website (www.sunedison.ca/Newboro1).
